

UNITED STATES PATENT AND TRADEMARK OFFICE  
Certificate

Patent No. 7,234,366 B2

Patented: June 26, 2007

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Yanming Hou, Pleasant Prairie, WI (US); and Darrel Svendsen, Racine, WI (US).

Signed and Sealed this Twenty-sixth Day of October 2010.
